

## A PIECE DERIVED FROM AN ELEMENTARY WORKSHEET ON PIE GRAPHS

How many giraffes are looking over the fence?

Now put your finger on the giraffe.

Pause and assist if necessary.

These two squares represent the giraffes.

How many hippopotamuses are looking over the fence?

Pause and assist if necessary.

How many elephants are looking over the fence?

These two squares.

How many zebras are looking over the fence?

Now guide the students in answering the seven questions.
